From the Principal

Welcome back to the start of the new school term!

We have had a wonderful start to the term so far, with all students and classes in all year levels, settled and ready for learning.

Following the retirement of Mr Perkins last term, and me stepping up to fill his shoes as Principal in Terms 2 & 3 - until Mrs Freier commences in Term 4, I'd like to officially welcome Mr Chris Lees to the position of Deputy Principal. I have no doubt that the staff, students and community of GSS will make Mr Lees feel welcomed and supported over the coming weeks.

This week we will commemorate ANZAC Day by conducting our school's ANZAC Parade on Wednesday the 24th of April, and participating in the community march

at the Cenotaph in Norman Park on Thursday the 25th – please see details of both ceremonies included below.

We invite all parents and carers along to our school parade, and all students to march with us and attend the community service.

At both services we will hear, and share some powerful messages about how we can live the ANZAC spirit and honour the memories of all those who've fallen or sacrificed to make our lives better.

We have a busy term ahead, with the following events and key dates already locked in;

School ANZAC Day Parade – Week 2 – Wednesday
 24th April

- ANZAC DAY PUBLIC HOLIDAY & Gordonvale
 Community March & Parade Week 2 Thursday
 25th April
- P&C Mother's Day Stall

Week 3 - Friday 3rd May (for Yr 6 students ONLY as they will be away the following week on camp)

Week 4 – Thursday 9th & Friday 10th May (Prep – Year 5)

- MAY DAY PUBLIC HOLIDAY Monday 6th May
- Walk Safely to School Day Week 5 Friday 17th May
- PIZZA DAY Week 6 Tuesday 21st May
- National Simultaneous Storytime Week 6 –
 Wednesday 22nd May
- SPORTS DAY(s) Week 10

Wednesday 19th June (Senior Students @ Johnston Park) &

Thursday 20th June (P-6 @ GSS Oval)

Please continue to check our school Facebook page, and subsequent SCHOME editions for more information, and to keep updated around these, and any other exciting events!

I look forward to another great term of working with all of our staff, students and parents as we continue to work together to *Grow, Strive, Succeed!*

Regards

Ms Jen Maher, Principal

Deputy's Desk

Dear Gordonvale SS Parents and Carers,

A short note to introduce myself to those who haven't met me yet. My name is Chris Lees and I will be Acting Deputy Principal at Gordonvale SS for Terms 2 and 3 while Ms Maher is Acting Principal.

I have been an educator for 28 years now and have worked at many schools in many different capacities from Bamaga in the north to Brisbane in the south. My previous position was at Tolga SS on the Atherton Tablelands where I was Acting Deputy Principal for 16 months and Acting Principal for 8 months.

As Deputy here, my portfolio is to manage the Year4-6 cohort but as most of you will know, the Gordonvale way is very much team based, so I envisage having many opportunities to interact with students across all year levels in many different capacities. Already I have witnessed the high calibre of Gordonvale SS staff and students in my classroom walkthroughs and I look forward to having productive conversations with you as parents about how we can improve student outcomes as the year progresses.

Please feel free to say hi or stop in for a chat if there is anything you think I can help you or your children with. My door is always open!

Kind regards

Mr Chris Lees, Deputy Principal

Admin News

Early Arrivals

At Gordonvale State School our classes commence at 8.50am with the administration office not open until 8.00am every morning.

Children are not supervised at school prior to 8.00am and then it is in the undercover / tuckshop area.

If your child needs to be at school prior to this time please enrol them at Before School Care.

Administration Staff are not permitted to supervise children in the school office.

Student Messages

We would like to advise parents of the procedure for passing messages along to children regarding change of plans for going home.

As we endeavour to get messages through at the last minute, we cannot always guarantee that we can. If you should need to change your student's daily routine, please advise the school office prior to 2nd lunch break (1PM) so that we can get the message through to your child prior to the end of the day. Our office can be quite hectic in the afternoon and last-minute changes to going home phone calls can be very hard to get to your child if they are not in their classroom.

Kind regards,

Carollyn McCallum & Liz Morellini, Administration

Outside School Hours / Vacation Care

Are you looking for outside of school hours care for your children? PCYC operate our OSHC program from the Multi-Purpose Hall in the centre of our school. If all available spaces are filled, you are encouraged to add your children to the waiting list. This doesn't prevent you from trying for a spot in another service, but if you don't register, the wait list won't grow and we can't increase the staffing. When sufficient children are registered on the list, PCYC can adjust staffing to provide more spaces. It's simple to enrol using your phone and an app. Instructions for how to enrol are included in the flyer below.

Positive Behaviour for Learning

Student Awards

At Gordonvale State School we have an existing reward and recognition system that acknowledges excellent behaviour and highlights the school's values. The process for obtaining these awards will not change. What is changing are the names of some.

Bronze, Silver and Gold will remain the same. However, AA will be replaced with <u>Diamond</u> and AAA replaced by <u>Platinum</u>.

Students that obtain a Bronze, Silver, Gold or Diamond will receive a certificate and a ribbon at a full school parade. Students that obtain Platinum status will be rewarded with a certificate and a badge.

By obtaining Diamond, students in Years 4 and 5 can nominate for House Vice Captain or House Captain. Those students that obtain Platinum can nominate for School captain.

All students are encouraged to work towards this rewards

program and are supported by the staff and wider community.

Kind regards

Mr Kendall Ryff; Student Engagement Teacher

League Stars Program

HPE

From the MCG (My Classroom & Grounds)

Term 2 has commenced, and with it the excitement of more sport. The term will culminate with our annual Athletics Carnival, held over three days at the end of term. On Friday

14th June the Discus will be held for students who nominate for that sport. It will be held on the "Triangle' fields near the racecourse stables. Then, on Wednesday 19th June, all Year 4, 5 and 6 students – as well as the 2015 born Year 3 students – will walk over to nearby Johnson Park to participate in the 800m, 200m and Long Jump. Again, students who nominate for these events will participate, whilst other students get to watch events. The carnival finishes on Thursday 20th June here at the school where we run the 100m races (ALL students to participate in this – no nominations), High Jump, Shot Put and relay races.

The nomination process commences in Week 4 this term when all students from the 2015 born Year 3 students through to Year 6 will receive a form which lists events. If a student wishes to participate, they will tick the box. This will be done in class time with class teachers to assist.

Most of the district selection trials for sports were done in Term 1, but there will be a few more announced and run in Term 2. These will be offered to students as they become available.

In HPE classes this term, the Year 3, 5 and 6 students will focus on learning the events for the Athletics carnival. Year 4 will be doing Tennis (they did Athletics in Term 1). Classes from Prep to Year 2 will all be focusing on different levels of skill around ball control – catching, throwing, dribbling and kicking.

Music

In recent years, great musicians have supported our students with kind words of encouragement. We have had people like Bev Bevan (ELO, Black Sabbath, Quill), Chris de Burgh, David Paton (Pilot, Kate Bush, The Alan Parsons Project), Lenny Zakatek (The Alan Parsons Project, Gonzales) and Iain Hornal (10CC, ELO) sent our students personal messages about what they did to reach their level of musical ability and giving useful advice about what it takes to be good musicians in future. We have also had Shane Howard from Australian band Goanna and Hollywood composer Hans Zimmer (The Lion King, The Dark Knight, Pirates of The Caribbean) endorse our music by giving written permission to use their material.

The saxophone player for English band Supertramp (Breakfast in America, Crime of The Century) is the latest to support our kids. Last week he sent this message:

"If you learn to play a musical instrument at any level, you will be enriching your life, and enriching the lives of the people who will listen to you. It's a win-win situation with no downside. My advice: practice, practice, practice, and learn ALL the scales on your instrument."

This year, the Strings and Woodwind lessons continue with Mr Perger and Mr Hodgetts. Also, our school rock band "Project 2 Live" are deep in rehearsals for their "FLEETWOOD MAC" concert to be held after school on Friday 29th

November. Like The Beatles show in 2022, all songs are being learned from scratch with a group of adult mentors to bring the show to life alongside the students.

It is exciting to be a part of this school's music programs, but even more exciting when international musicians of high standing recognise our kids — all the way across the world from most of them — and help them on their respective musical journeys.

(John Helliwell - middle - with Supertramp)

Mr Hull, HPE Teacher

Chappy Update

How wonderful it is to be back at school after having time off to rest and refresh. I didn't do a great deal on the holidays, only went away camping for a few days to Granite Gorge which is always great getting to feed the rock wallabies, holding all the reptiles, (I'm not so sure I like snakes but my granddaughter loves them,) swimming and just enjoying nature. Here is a couple of pictures I took while there.

It has been good to connect with students during lunch times. They really love to play with the Kinetic Sand as well as Uno. Music is always popular as they do different activities and it is a good opportunity for me to hear how their holidays were.

I have been busy following up paper work for Relationships Australia who will be running their Poppers/Popstars program this term here are school. See flyer attached for more details and let me know if you would like your child/ren to be a part of this beneficial program.

Coming up this Term is the annual Chaplaincy Fundraiser Cycle for Hope on the 1st June, this follows Chappy Week where I will be holding my usual games and Crazy

Sock or Hair Fundraiser and lunch games. Stay tuned for this. This year I have a few riders riding for Gordonvale Chaplaincy one of whom is Andrew Richardson if you would like to donate you can head to the Cycle For Hope Website https://cycleforhope.org.au/ or Andrews page Andrew Cycle For Hope

News from the Library

Welcome back. We hope you had a great break and are ready to get back into the swing of school.

Did you find any outstanding loans? Remember you may only borrow 1 book from the library at a time at the moment.

Have you visited the library and seen the new set up? This is a work in progress and will probably take all year to complete. Let me know what you think.

There are some new games for lunchtime activities. I am also waiting for some new books to arrive.

With the popularity of the "Wings of Fire" graphic books, I have to implement a new procedure. There are request forms (golden) on the shelf behind the

computers and with the game boxes. These need to be completed and a copy of the book will be reserved for you. The green request forms are for any other book request.

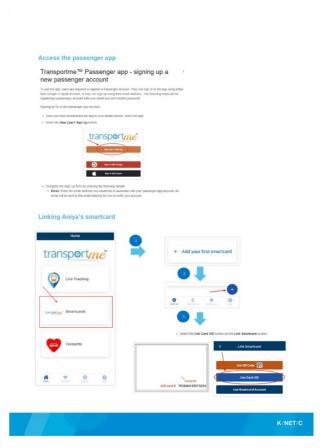

Happy Reading, Mrs Curcuruto
